Good Evening Sis..How's your Saturday with your family? Just checking how's your hubby athlete's foot? Did he use the Himalayan Body scrub? 7:14 pm ✓✓

Hello my dear, we are all good. I really insist my hubby to scrub it. He is busy every time in the port and this put a toil on his feet. Lucky you told me about the body scrub. I remembered to take photos before and after. Look! It's way better and the smell is gone! Thank you Sis, really appreciate it very much

Hi dear, are u using Aura Nur himalayan body scrub? Any changes? 12:25 ✓

I really like this product, it's effective. Amazing result. I have a skin problem for long time, i have spend so much of money at private clinic to solve this problem but all fail. 😊 I use AURA BODY SCRUB 2 TIMES A WEEK FOR 1 MONTH and the result make me smile. TQ DEAR. 13:10

Wow, great. So happy for you. 👍 13:19 ✓
